YASHFEEN EDUCATION SYSTEM

Welcome

We are delighted to introduce you to our esteemed institution, where dreams are nurtured and academic excellence thrives. At Yashfeen Education System (YCP, YCAHS, YCN), we believe in empowering our students to become lifelong learners, critical thinkers, and compassionate leaders who are ready to make a positive impact on the world. Our dedicated faculty, renowned for their expertise and commitment to teaching, will guide and inspire you every step of the way. We look forward to supporting you in your pursuit of academic and personal success.

VISION, MISSION & VALUES

MISSION

To contribute to society through the pursuit of education, learning and research at the highest international levels of excellence.

VISION

To create a transformative educational experience for students focused on deep disciplinary knowledge; problem solving; leadership, communication, and interpersonal skills; and personal health and well-being.

VALUES

- » Intellectual Enquiry
- » Respect
- » Collegiality
- » Courage

MESSAGE FROM THE CHAIRMAN

“

The students at YES, benefit from state-of- the art facilities and resources, including innovative and student-centered curriculum allowing for the early development of professional skills and behaviors.

”

Prof. Dr. Muhammad Inam
Chairman

I am honored to be the Chairman of Yashfeen Education System (YES), which is committed to ensure excellence in all its educational programs.

The students at YES, benefit from state-of- the art facilities and resources, including innovative and student-centered curriculum allowing for the early development of professional skills and behaviors promoting collaborative learning, critical thinking and reflection-skills essential for brilliant career. Our faculty is eminently qualified, and committed to provide students with the essential academic, professional, and personal skills required for competing in today's challenging employment environment. In addition to teaching and mentoring of students, our faculty members prove to be avid consumers as well as producers of research helping them staying current in their academic disciplines.

YES enriches the students' campus life by promoting co-curricular activities, clubs/societies and sports helping students mold their lives to become well rounded people and learning the art of living and working together.

We invite you to be a part of our institution to gain practical knowledge in your targeted field, acquire leadership skills, and to learn the art of community service.

MESSAGE FROM THE PRINCIPAL

“

We take pride to elevate the students to the heights of excellence so that they may pave the path of service to human's kind, progress and prosperity as an individual and as a society member.

”

Dr. Sarwat Ali Raja
Principal

It is my great pleasure to welcome you to our college. As the Principal of Yashfeen College of Pharmacy (YCP) and Yashfeen College of Allied Health Sciences (YCAHS), I am honored to introduce you to our esteemed institution and the extraordinary opportunities it offers for your academic and personal growth. At YES, our mission is to provide a nurturing and intellectually stimulating environment that prepares our students to thrive in the ever-changing global landscape. We are committed to fostering a culture of excellence, innovation, and inclusivity, where every individual is empowered to reach their full potential. As the Principal, I am committed to providing a supportive and inclusive learning environment where each student's well-being is a top priority. Our dedicated staff is here to guide and

assist you throughout your college journey, ensuring that you receive the necessary support and resources to excel academically and personally. On behalf of the entire YES community, I extend a warm welcome to you. We are excited to accompany you on your path to academic excellence and personal growth. Together, let us shape a future filled with success, purpose, and endless possibilities.

MESSAGE FROM THE MANAGING DIRECTOR

“

We at YES will endeavor to inculcate modern trends in education which would be a blend of the traditional system of learning; knowledge based practical application and thought-provoking interactive sessions.”

Dr. Muhammad Habib E Ajmi
Managing Director

I take immense pride in extending a warm welcome to you at Yashfeen Education System (YES). Our college is poised to stand out among its peers, thanks to the visionary board of directors, innovative faculty, and your passion and enthusiasm. Together, we envision YES embarking on a path of enlightenment, preparing students for the demands of the 21st century.

At YES, we strive to integrate modern educational trends, incorporating a combination of traditional learning methods, practical application of knowledge, and engaging interactive sessions. We encourage open interaction between students and teachers, fostering a deeper understanding of the philosophy of education and skill development. Your progress will be closely monitored in collaboration with your parents/

guardians, and every effort will be made to enhance your performance.

In conclusion, I extend a warm welcome to you as you choose our institution, and I offer my heartfelt prayers for your success during your time here and in all your future endeavors.

MESSAGE FROM THE EXECUTIVE DIRECTOR

“

We provide a well-coordinated training programs under close supervision of knowledgeable, experienced and committed faculty members.

”

Dr. Anaab Basharat
Executive Director

It is my great pleasure to extend a warm welcome to all the students seeking enrollment in Yashfeen Education System (YES).

We provide well-coordinated training programs under close supervision of knowledgeable, experienced and committed faculty members.

Our educational strategy is to create a conducive learning environment and to steer our students to acquire adequate knowledge, skills and temperament to practice improved health care based on evidence and be a competent health care professional group.

I expect that the students would be devoted and dedicated to their studies and abide by the institutional terms and conditions. At the same time, they would perform extracurricular activities and involve themselves in the social and health awareness programs.

I am convinced that our institution will emerge as one of the leading education system of the country.

I look forward to welcome you again to this college.

WHY YES?

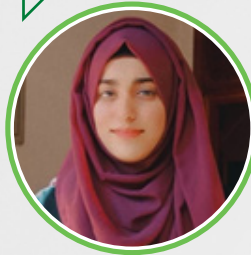

REASONS *To choose us*

- Fully Accredited by Pharmacy Council of Pakistan (PCP)
- Affiliated with University of the Punjab (PU)
- Affiliated with The Islamia University of Bahawalpur (IUB)
- Opportunities & Clinical Training Programs for our students
- Hi-Tech Lab Training
- Short Courses & Certifications
- Professional Training Sessions
- Life Support Training Sessions
- Seminars & Conferences
- Research & Developments Programs
- Career Counselling Program
- Training, webinar, seminars
- Awards & Incentives
- Cash prizes to the toppers
- Most regular student award.
- Student appreciation certificates

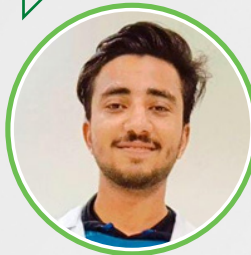

Keep your eyes on the goal, and just keep taking the steps towards completing it. Being a student of YES, I am very proud of my institution to help me learn this.

Esha Zulfiqar
PHARM-D Second Professional

Our college has a clear vision for the future, driven by a dedicated board of directors. Their foresight and commitment ensure that we receive an education that is relevant and prepares us for the challenges of the 21st century.

Manahil Nazir HND
1st Year HND

Choosing this institution has been a wise decision, and I am confident that our college will provide us with a nurturing and enriching environment for both academic and personal growth.

PHARMACY TECHNICIAN (CATEGORY B)

DEGREE PROSPECTS

Pharmacy Technician is also known as Category-B which is a 2 years Diploma program. This diploma is approved by the Pakistan Pharmacy Council. Students of the Pharmacy Technician programme will appear in Qualifying Exam conducted by Punjab Pharmacy Council and will meet the requirements to register themselves in Register-B. This diploma is all about dealing with medicines and patient safety. The students who have entered into this field are being trained and developed in such a manner that they are capable to assist the Pharmacist in every Pharmacy domain. The diploma is one of the most desirable and even the need of the present age.

DURATION

2 years diploma

ELIGIBILITY CRITERIA

Matric with science (only Science group
e.g. Physics, Chemistry and Biology/
Computer science)

The details of every year's subjects, along
with marks is given below.

Dr. Fahmeed Nasir

Principal (Pharm.D, M.Phil
(Pharmaceutics))

SCHEME OF STUDIES

FIRST YEAR

Each Theory Paper will be consisting of 50% Objective (MCQs) and 50% Subjective (Short Questions)

Paper I Theory (Marks 120)

- Anatomy
- Physiology
- Microbiology
- Biochemistry

Paper II Theory (Marks 120)

- Pharmaceutics-I (General, Physical and Dispensing)
- Pharmacognosy

Paper III Practical (Marks 100)

- Anatomy+Physiology

Paper IV Practical (Marks 100)

- Microbiology+Biochemistry

Paper V Practical (Marks 100)

- Pharmacognosy

Paper VI Practical (Marks 100)

- Pharmaceutics-I (General, Physical and Dispensing)

SECOND YEAR

Each Theory Paper will be consisting of 50% Objective (MCQs) and 50% Subjective (Short Questions)

Paper I Theory (Marks 120)

- Pharmaceutics-II (Industrial and Quality Control)
- Pharmaceutics-III (Hospital Pharmacy)

Paper II Theory (Marks 120)

- Pharmacology
- Social Behavior, Law and Ethics
- Computer

Paper III Practical (Marks 100)

- Pharmaceutics

Paper IV Practical (Marks 100)

- Pharmacology

Paper V Practical (Marks 100)

- Computer

BS BIOCHEMISTRY

DEGREE PROSPECTS

A biochemistry degree opens up a wide range of promising career prospects. Graduates can pursue opportunities in various fields, including pharmaceuticals, biotechnology, healthcare, research, and academia. With their strong foundation in understanding the chemical processes of living organisms, biochemistry graduates are well-equipped for roles such as research scientists, laboratory technicians, pharmaceutical analysts, clinical biochemists, or academic professors.

DURATION

4 years degree

ELIGIBILITY CRITERIA

F.Sc. (Pre-Medical) with minimum 50% marks
OR A-Levels (Biology, Physics & Chemistry)
Equivalent with minimum 50% marks,
equivalence from IBCC will be required

AFFILIATION

The Islamia University of
Bahawalpur (IUB)

BS MICROBIOLOGY

DEGREE PROSPECTS

A degree in microbiology offers promising prospects in various fields. Graduates can pursue careers in research, healthcare, pharmaceuticals, food and beverage industries, environmental monitoring, and quality control. They can work as microbiologists, research scientists, laboratory technicians, quality assurance specialists, or clinical microbiologists. With the increasing demand for understanding and controlling microorganisms, microbiology graduates have opportunities to contribute to advancements in medicine, biotechnology, agriculture, and public health.

DURATION

4 years degree

ELIGIBILITY CRITERIA

F.Sc. (Pre-Medical) with minimum 50% marks
OR A-Levels (Biology, Physics & Chemistry)
Equivalent with minimum 50% marks,
equivalence from IBCC will be required

AFFILIATION

The Islamia University of
Bahawalpur (IUB)

BS PSYCHOLOGY

DEGREE PROSPECTS

A psychology degree offers promising prospects for graduates. With a deep understanding of human behavior and mental processes, psychology graduates can pursue a variety of career paths. They can work as counselors, therapists, researchers, or in human resources, among other fields. The demand for professionals who can provide insights into human behavior and assist individuals with mental health issues continues to grow.

DURATION

4 years degree

ELIGIBILITY CRITERIA

F.Sc. (Pre-Medical) with minimum 50% marks
OR A-Levels (Biology, Physics & Chemistry)
Equivalent with minimum 50% marks,
equivalence from IBCC will be required

AFFILIATION

The University of the Punjab

BS INFORMATION TECHNOLOGY

DEGREE PROSPECTS

Graduates with this degree possess a strong foundation in computer systems, programming languages, database management, network administration, and cybersecurity. They are equipped with the skills needed to develop software applications, design and manage IT infrastructure, analyze data, and ensure the security of digital systems.

DURATION

4 years degree

ELIGIBILITY CRITERIA

F.Sc. (Pre-Medical) with minimum 50% marks
OR A-Levels (Biology, Physics & Chemistry)
Equivalent with minimum 50% marks,
equivalence from IBCC will be required

AFFILIATION

The University of the Punjab

BS ENGLISH

DEGREE PROSPECTS

A Bachelor's degree in English opens up a wide range of prospects for graduates. With strong communication and analytical skills, English degree holders are well-equipped for careers in fields such as writing, publishing, journalism, editing, content creation, public relations, advertising, teaching, and research. Additionally, their critical thinking abilities and cultural literacy make them valuable assets in various industries, including marketing, human resources, and law.

CAMPUS FACILITIES

We provide a blend of real-world and academic learning within integrated course modules. We offer a range of health professional interactions and experiences in a diverse set of clinical pharmacy and community health settings. You'll also benefit from workshops in our pharmaceutical sciences laboratories.

As a student you will develop your capacity for independent and critical thinking. You will also focus on practical skills in analysis, problem solving, information management and research related to pharmacy practice, patient-centered practice and drug optimization.
